

Back in 1987, a group of New Hampshire cross country coaches were lamenting the fact that cross country athletes never got enough recognition, so a small group of us met at Londonderry High School to pick "All State Teams." For eight years, we did this and the kids got their names listed in the papers.

In 1995, I started my newsletter, NHCC, and through that, along with help from Crown Trophy, I bought plaques for the top ten All-State kids. I would pass these out at the Footlocker Northeast Meet, at the first Indoor Track Meet, give to their coach if I saw him or her, or, as a last resort, mail them. We have a unique selection process. There are no written rules. We meet until everyone present agrees that we did the right thing.
